LB 105-24-1

Sir,

I have the honor to state that, after the advent of Chitaldrug-Chikkajajur Railway, a small Rest-House was -- constructed at Chikkajajur at the cost of the District Board and one of the Running Rooms at the place belonging to the Railway Department was also temporarily taken over under the management of the District Board and converted into a 3rd Class Travellers' Bungalow for the accommodation of travellers pending construction of a Musafirkhana at the place from District Funds. The Musafirkhana building, the construction of which was sanctioned by Government in their order No.L. 7136-8/L.B.80-21-9 dated 31st May 1922. has been completed and made available for travellers. Now the District Board have their own Musafirkhana, the Railway authorities are urging for the Running Room being handed over to them back, as the same is badly required for the use of the Railway staff. Their request is to be complied with immediately and, if this is done, the travellers belonging to the middle class alighting or halting at Chikkajajur will be put to much inconvenience for want of suitable accommodation at the place. With a view to remedy this inconvenience, the District Board have proposed that the Musafirkhana recently constructed at the place may be converted into a 3rd Class Travellers' Bungalow and be maintained as such, there being a rest-house at the place to accommodate the travellers belonging to the poorer classes. (Vide copy of the resolution of the Board attached). The establishment already sanctioned for the Running Room in Government Order No. L.1913-5/L.B.25-21-4 dated 18th

November

November, 1921 and 645-C/L.B.25-21-15 dated 22nd July 1922 will, of course, be transferred to the Musafirkhana to be converted into a Travellers' Bungalow as proposed above.

I accordingly recommend that the resolution of the Board may kindly be sanctioned.

I have the honor to be,

S I R,

Your most obedient servant,

P. Ramachandra
